

## Count Down Santa

This is a project for the little ones to do. They will need some help, but just how much help will depend on their ages. In fact, the older ones may be able to help the younger ones. It will give them something to do than can add to the decorations for the holiday.

**But “good luck” with having them “take one off the string each day!!**

Supplies:      White Card Stock  
                    Crayons or Markers  
                    Wrapped Peppermints  
                    Red yarn or ribbon

Tools:          Scissors  
                    Paper Punch

Print pattern (on page 2). Cut pattern on outside edges. Punch holes where the circles appear at the bottom of Santa's beard. Tie a string on each of 7 peppermints, and loop them through the punched holes. A thumbtack can be used to hang Santa.

Copy to Card Stock and Cut out
