Skip 1 st, DC in next 12 sts.

**Row 16:**   Skip 1$^{st}$ stitch. 1 SC in each st across. End off and weave tail into your work.

 Attach contrasting color in 1$^{st}$ sc, ch 1. 1 HDC in next st. 2DC in next st. (shell made)   *Skip 1

st (this makes the buttonhole) and make a 2DC  shell in next st. Repeat from *until you have

8 more shells. 1 HDC in next st, sc in top of turning st. Fasten off. Cut and weave ends into your
work.

   Using the tissue packet as a guide, and with the shell edge at the top , fold the bottom up
to just below the top of the packet. This should be row 13. Sew seam at each side to form a
pouch for the packet. Sew button to middle of first row of DC on the pouch. (See photo for
placement.)  Fold top down over pocket and button. Folding back the opening of the tissue package
will allow you to remove tissues from the packet.
